GENERAL INVESTMENT INCENTIVE SCHEME

Regardless of region where investment is made, the scheme is available for all investment projects provided that:

- Investment subject is not excluded from the investment incentives programs,
- Requirement of minimum fixed investment amount is met.

The investment projects that are supported from the General Investment Incentives Scheme will benefit only from customs duty and VAT exemptions on their machinery and equipment expenditures.

REGIONAL INVESTMENT INCENTIVE SCHEME

- Regional system aims to eliminate inter-regional imbalances by means of encouragement of sectors determined. Rates of support measures have been differentiated according to the level of development of the regions.
- Investment subjects to be supported have been identified by taking into consideration of the economic potentials of provinces and scales of economies.
- Within the scope of regional investment encouragement, minimum investment amounts are determined for certain investment subjects in each region separately. If there is no defined minimum investment amount, it is;
 - 3 million TL in Regions I and II,
 - 1.5 million TL in Regions III, IV, V and VI.

Effective from 1 January 2021

INVESTMENT
INCENTIVE SCHEME

Following priority investments will benefit from terms and rates of the support measures of Region 5 even if they are made in Regions 1, 2, 3, 4.

Investments of manufacturing high-tech products

- ❖ Pharmaceuticals,
- ❖ Office, accounting and computing machinery,
- ❖ Radio, TV and communications equipment,
- ❖ Medical, precision and optical instruments,
- ❖ Aircraft and spacecraft.

Investment subjects to be benefited from **measures of Region 5**

Investments to manufacture products as an outcome of the R&D

Defense Industry Investments

Test center investments for products in the medium-high and high-tech industry

Specific automotive and engine manufacturing investments

Mining and Mine-Exploring Investments

Education Investments

Investment subjects to be benefited from **measures of Region 5**

Energy efficiency
investments

Investments made to generate
electricity through waste heat
recovery

Liquefied natural gas (LNG)
investments and underground
gas storage investments

Investments made to generate
electricity from coal

Investments of carbon fiber or
the composite materials
made from carbon fiber

Railroad transportation
investments

Investment subjects to be benefited from **measures of Region 5**

Maritime transportation investments

Tourism investments in Cultural and Touristic Preservation and Development Regions and thermal tourism investments

Licensed warehousing investments

Investments made to manufacture turbines and generators for renewable energy and wind turbine wings for wind power.

Integrated investments for aluminium flat products using direct chill slab casting and hot rolling methods.

Medium-high technology investments amounting to a minimum 500 million TL

Investment subjects to be benefited from **measures of Region 5**

**Nuclear power plant
Investments**

**Qualified laboratory
investments**

**Airline transportation
investments**

**Greenhouse investments
based on automation
with a minimum of
5 million TL, 25 decares
and domestic spare parts**

**Investments in the
production of software and
information products to be
made in specialized free
zones**

**Investments subject to
Environmental License within the
scope of Environmental Permit
and License Regulation**

Investment subjects to be benefited from measures of Region 5

**Elderly and Disabled
care centers and
wellness investments**

**R&D and
environmental
investments**

**Manufacturing
electric or
hydrogen-powered
transportation
vehicles**

**Data center
investments that meet
the minimum white
space requirement of
5,000 m²**

**Tourism investments in

Preservation and
Development Regions
and thermal tourism
investments**

**Investments in the
production of software and
information products to be
made in specialized free
zones**

Investment subjects to be benefited from **measures of Region 5**

**Investments within
the scope of the
Digital Transformation
Support Program**

**Investments within the
scope of the Green
Transformation Support
Program**

**Carrier columns
and transmission
columns from
vulcanized rubber**

**Investments subject to
Environmental License within the
scope of Environmental Permit
and License Regulation**

Investment Incentives Program

GENERAL
INVESTMENT
INCENTIVE SCHEME

REGIONAL
INVESTMENT
INCENTIVE SCHEME

PRIORITY
INVESTMENT
INCENTIVE SCHEME

STRATEGIC
INVESTMENT
INCENTIVE SCHEME

What are the Strategic Investments?

- Investments to be made for production of intermediate or final products of which more than 50% are supplied by imports.
- Energy investments to be made for exclusive use of such strategic investments.
- The investments approved by the Ministry within the **Technology Focused Industry Movement Program (TFIMP)** are also be supported within the context of strategic investments regardless of the criteria listed below.

What are the goals of the scheme?

- On the basis of the “Input Supply Strategy” this scheme aims at supporting production of intermediate and final products with high import dependence with a view to reduce current account deficit.
- It also targets encouraging high-tech and high value added investments with a potential of strengthening Turkey’s international competitiveness.

Eligibility criteria for Strategic Investments

- ✓ to be made for production of intermediate and final products
 - ✓ with high import dependence
 - ✓ of which more than 50% are supplied by imports
- ✓ with a minimum investment amount of 50 million TL
- ✓ with a minimum 40% value added (This condition is not applicable to refined petroleum production investments and petrochemicals production investments)
- ✓ With an import of at least 50 million \$ in the last one year period (This condition is not necessary for goods with no domestic production)

Strategic Investment Incentive Scheme

Incentives		All Regions
VAT Exemption		✓
Customs Duty Exemption		✓
Tax Deduction	Rate of Contribution to Investment (%)	50% (50% of the contribution can be used before the investment is completed)
Social Security Premium Support (Employer's Share) (Term of Support)		7 Years (10 years for Region 6)
Land Allocation		✓
Interest/Profit Share Support	Local Loans	5 points (under the TFIMP 10 points for high-tech products, 8 points for others)
	Foreign Exchange/ FX denominated loans	2 points
VAT Refund		The building and construction costs of investments of more than 500 million TL
Social Security Premium Support (Employee's Share) (Term Of Support)		10 years (only for Region 6 and strategic investments supported under TFIMP)

*Strategically supported investments under TFIMP, if the product is high-tech, it can be applied for a maximum of 500 employees and for others up to 300 employees.

-Refinery and petrochemical investments do not require a minimum 40% added value requirement.

-For investments in the defense industry to be realized with the project approval from the Presidency of Defense Industry, the conditions for the total domestic production capacity to be less than the import and the total amount of imports realized in the last year to be above fifty million USD are not sought.

-It may be decided to support port and storage facility investments with a minimum amount of three billion Turkish Liras to be realized in Industrial Zones as a strategic investment. An incentive certificate is issued for these investments without seeking the conditions in the first paragraph and the Commission evaluation in the third paragraph.
